

2021-2022 MCFSC COVID Policy

All skaters/families need to sign the Manitowoc County Figure Skating Club (MCFSC) COVID/Delta variant waiver and it must be turned in prior to Learn-To-Skate Class, Club Ice, Junior Synchro and Competitive Synchro. No exceptions!

Face Masks:

At this time, face masks are not required for MCFSC skaters, parents, coaches and volunteers in the building. A person may wear a face mask if they want to. MCFSC will not ask for proof of vaccination, and it is recommended for anyone that is not vaccinated to wear a face mask (no gaiters or bandanas).

Skaters:

Skaters should arrive no more than 15 minutes prior to class/ice time. Skaters/parents will put skates on in lobby and move their belongings to the ice arena before their ice time. Skaters/parents will return to lobby to take skates off by the rink office area. If a skater has back to back class or ice time they may remain at the rink. Synchro skaters on Sundays may stay between Club Ice and Synchro in the lobby area, but should social distance from one another.

Parents/Volunteers:

Parents and volunteers are allowed in the building during MCFSC ice time, but must follow the MCFSC guidelines. MCFSC asks that everyone should use the hand sanitizer that is in the lobby and to social distance in bleachers/ lobby area. All MCFSC skaters, parents, coaches and volunteers need to enter the main ice center doors.

*A decision on ice shows and spectator guidelines will be made closer to ice show time.

Cleaning:

High touch surfaces, lobby, bleachers and bathrooms will be disinfected regularly throughout MCFSC ice times by MCFSC volunteers.

Water Fountain:

MCFSC skaters, parents, coaches and volunteers are encouraged to bring their own water bottle with name on it. A water bottle filling station is available to the skaters. The drinking fountains will remain closed.

Concessions:

Concessions will be opened during MCFSC ice time. Concession workers will be responsible for cleaning the concessions area and following MCFSC food handling guidelines.

Locker Rooms & Upstairs Viewing area:

The locker room and upstairs viewing area will not be used by MCFSC skaters, parents, coaches and volunteers unless the director approves it. MCFSC Board Members/Director may use the upstairs area for meeting purposes.

If MCFSC skaters, parents, coaches or volunteers have any of these symptoms or situations, contact Chris Pawlowski 920-973-6756 or email mskmmom@gmail.com

COVID Symptoms:

- If a skater has COVID Symptoms, the MCFSC skater, parent, coach or volunteer needs to quarantine for 10 days and may return on the 11th day if no symptoms.

Waiting on a COVID Test:

If a MCFSC skater, parent, coach or volunteer is waiting on a COVID test result, they must stay home until they have received their results.

- If negative, the MCFSC skater, parent, coach or volunteer may return.
- If positive, the MCFSC skater, parent, coach or volunteer may return to the rink/skating activities 10 days from the first onset of symptoms.

Exposed to COVID/Delta Variant:

- If the MCFSC skater, parent, coach or volunteer is **fully vaccinated**, the MCFSC skater, parent, coach or volunteer does not need to quarantine if they are asymptomatic.
- If symptoms develop for the fully vaccinated, they must quarantine for 10 days and may return on the 11th day if no symptoms or have a negative COVID test.
- If **unvaccinated** the MCFSC skater, parent, coach or volunteer, who has a direct exposure and **did not** get a COVID test, the MCFSC skater, parent, coach or volunteer needs to quarantine for 10 days and may return on the 11th day if no symptoms or have a negative COVID test.

Symptoms:

If a MCFSC skater, parent, coach or volunteer has any of these symptoms, they need to stay home!

- cough
- congestion
- runny nose
- shortness of breath
- difficulty of breathing
- fever(higher than 100.4)
